

Aspiring Law is one of the leading general practice law firms in Wanaka, and the wider Upper Clutha and Central Otago Lakes District, area. Aside from the legal advice and support we offer, our community commitments are an integral part of our ethos.

Our Community Relations Programme includes a sponsorship budget dedicated to causes and events that clearly align to, and support, our values and business goals, as well as the needs and interests of our clients. In some cases, we're also able to provide support by way of services and donating time on a pro bono basis.

In evaluating sponsorship opportunities, our key considerations include:

- The benefits of your activity to our clients, their families and wider community
- The objectives of your event/activity, and how they fit with our business
- Opportunities for Aspiring Law during your event/activity

Please complete and submit your sponsorship application at least two months before your event to allow time for consideration and the gathering of further information, if necessary.

To ensure all applications are treated fairly and equitably, we ask all applicants to complete and submit the sponsorship form.

Sponsorship Application Form
